I do thank you very much for digging into the rubbles, re-doing 3 years of taxes, and representing me to the IS. You did formulate the best strategy and got this resolved. Because of your expertise, your negotiating skills, capabilities and patience, the IRS issue is completely behind me. I am so glad I made the right call to the right CPA. I have not received any notice from the IRS yet, but I am confident it is over.

Thank You

You are the Best CPA in town
